SUMMARY

Dynamic Full-Stack Developer with 4.6+ years of experience in building responsive, secure, and user-centric web applications. Skilled in JavaScript, TypeScript, ReactJS 18, Node.js, Redux, and MySQL with strong expertise in developing modular UI components and single-page applications. Proven ability to collaborate in agile environments, enhance user experience through effective UI improvements, and deliver clean, scalable code that meets industry standards. Adept at working closely with clients to understand requirements and translate them into high-quality technical solutions that align with business goals.

SKILLS

Technical Skills:

React.js, JavaScript, TypeScript, Redux, HTML, CSS, SASS, Node.js, Material UI (MUI), MySQL, MongoDB, AWS, Git, CI/CD Pipeline Development, Redis, MQTT.

EXPERIENCE

Software Engineer (Nov 2021 – Present) · 4.6+ years
Valor Paytech India Private Limited, Chennai

- **Payment Portal** – Contributed to the development of a secure and scalable virtual terminal solution supporting multiple payment methods, transaction management, and analytics for merchants and businesses.
  Tech Stack: React.js, Redux, Material UI (MUI), TypeScript, Node.js, MySQL
- **The Vault** – Built and integrated a secure payment information management system, ensuring compliance and enhanced data protection. Developed REST APIs for seamless third-party integration to add, update, and remove payment methods.
  Tech Stack: React.js, Material UI (MUI), Node.js, TypeScript, MySQL
- **Point-of-Sale (POS) Integration** – Engineered a POS communication layer using the MQTT protocol to enable real-time connectivity between the payment portal and POS terminals, improving transaction reliability and merchant operations.
  Tech Stack: Node.js, EMQX MQTT Broker, MQTT Protocol
- **External API Integrations** – Implemented REST API integrations, including list APIs and settings APIs, enabling secure, efficient, and compliant transaction processing with external systems.
  Tech Stack: Node.js, TypeScript, MySQL

EDUCATION

Bachelor of Computer Science
St. Joseph's College of Arts and Science, Cuddalore
2017 – 2020
CGPA: 8.0
